

# Map of the Muhlenberg Campus

Accessible, intimate, comfortable...

**Seegers Union, Building #1**, will be where Summer Conference participants register. Seegers is home to **“The Restaurant,” Muhlenberg’s award-winning dining hall**, as well as a café and snack bar. The **Red Door** is a lounge in the basement of Seegers where we’ll meet nightly for our **social gatherings**. Seegers also holds several classrooms, and an auditorium where we will hold Open Readings. Buildings 15, 16 and 20 are our dorm options. **Building 20, Taylor Hall, has double rooms with private bath**. Buildings 15 (South) and 16 (Robertson) have suites that include four single rooms that share a bath, kitchenette and sitting area. Every building is **handicapped accessible**, and within easy proximity of classrooms, dining, and meeting space.
